

STATE RECOGNITION OF GENTLEMAN'S RIDE

Read on the 28th May 2026, in the NSW Parliament Legislative Assembly

The success of the Goulburn Distinguished Gentleman's Ride stands as a testament to the generosity, community spirit and dedication of all involved.

With more than 100 riders taking part, the recent event brought together a shared passion for motorcycling while raising vital awareness and support for men's health.

This year's ride exceeded expectations, raising over \$5,000 to support men's health initiatives and contributing to the global impact of the Distinguished Gentleman's Ride.

These funds help advance prostate cancer research and deliver important mental health programs, improving outcomes for men and their families.

My sincere thanks must also go to the organisers, volunteers, sponsors, supporters and every rider who generously gave their time and effort to make the event possible.

Events like the Distinguished Gentleman's Ride not only strengthen community connections but also shine a light on critical health issues.

The success of this year's ride is something the entire Goulburn community can be proud of and serves as an inspiring example of what can be achieved when people come together.

Congratulations to all involved.

A handwritten signature in blue ink, appearing to read 'Wendy Tuckerman'.

Wendy Tuckerman, MP
Member for Goulburn
